Sub: Review of medical reimbursement to serving employees on outdoor medical treatment with vouchers.

Respected Sir,

It has come to notice of our union that Management has decided to reduce the ceiling for reimbursement of outdoor medical treatment expenses in respect of serving and retired employees from 25 day's pay to 12 day's pay vide letter No BSNL/39-1/SR/2018 dated 01-03-2018. In this regard the recognised unions have been asked to submit their suggestions vide the aforesaid letter.

Being our moral duty in the interest of workers the NUBSNLW (FNTU) strongly oppose the decision of Management and also oppose the decision of withdrawal of payment without voucher to retired employees in the cities covered by CGHS. Our members are very much disappointed with these decisions. The issue of withdrawal of payment without voucher to retired employees in the cities covered under CGHS facility may be left to the retired employee either to opt for CGHS or otherwise in view of their physical fitness.

Our union therefore, request you sir to review the decision of Management and drop the same so that the employees who have served the Department sincerely from the inception of Company and serving employees who are earnestly discharging their duties may not suffer.

With regards,

Yours Sincerely

(K. Jaya Prakash)
General Secretary
