

UNIONS AND ASSOCIATIONS OF THE NON-EXECUTIVES & EXECUTIVES IN BSNL

Date: 09.03.2017

Comrade,

Sub: - Convening a meeting of all the unions and associations of BSNL to discuss the wage revision issue - req.

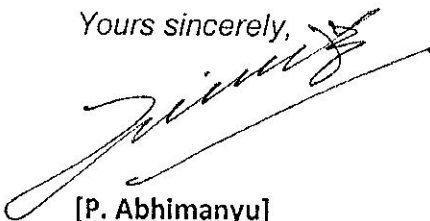

The 3rd Pay Revision Committee has already submitted its report to the government, and the same is available in the public domain. The "Affordability" clause of the 3rd PRC is detrimental to the Non-Executives and Executives of BSNL. Unless BSNL is delinked from this affordability clause of the 3rd PRC, there is very little chance for BSNL employees to get wage revision.

Under these circumstances, it will be ideal that all the unions and associations of the Non-Executives and Executives meet, and chalk out the strategy for settling the wage revision. To enable this, a meeting of all the unions and associations of the Non-Executives and Executives of BSNL is being held at 15:00 hrs. on 15.03.2017, at BSNL MS office, Atul Grove Road, New Delhi - 01.

I request you to kindly participate in this meeting and to give your valuable suggestions on the subject.

Thanking you.

Yours sincerely,

[P. Abhimanyu]
