Our union feels injustice is going on at Baroda SSA, and CGM Gujarat is closing his eyes then we are forced to approach the Director (HR) Corporate office for getting justice to the employees who are working sincerely and obeying the Dept Transfers keeping the faith on the Management.

I therefore, request you Madam to kindly go through my letters personally and request you to issue the instructions to the CGM Gujarat and we demand to shift the GM Baroda who is feeling himself as a king of Baroda SSA, and not following the corporate office instructions and Harassing the Non-recognized Union Members by colluding with recognized unions to satisfy their personal interest to safe guard his transfer/corruption attitude in Baroda SSA.

With Regards,
