Respected sir

SUB;- Vaccination to BSNL Staff treating them as front line worriers – Reg

Even in the present pandemic situation due to COVID-19 our Employees are working in CSCs , attending faults and also attending Administrative offices to providing better service to customers .

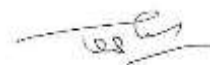

It is not necessary to mention that vaccination is must for everyone, for getting the vaccination is very difficulty along with all others due to shortage of vaccines , whereas the postal and other department staff are treated as frontline worriers and they are giving priority for vaccination .

In this regard our union requests to take up the matter with Hon,ble Ministry of Health for treating our employees as frontline warriors and vaccinated immediately so that every employee can perform the duty without any fear.

I Hope CMD may take a positive decision in this regard.

With regards

Yours sincerely,

(K.Jaya Prakash)
